I never considered myself as very wild, but when this guy picked me up at a club and I decided to go home with him, I realized how wild I really was. I fucked his brains out and left him in a limp lump on the floor, until I made him fuck me again.

My GF has a butt so round that I can't keep myself out of her starry hole. I love it when I make her scream in orgasmic pleasure. She loves having her asshole played with it almost as much as having me fuck her tight wet pussy. We watch ourselves in the mirror as she bounces her tight ass and juicy pussy on my dick and then take a hot creamy load on her pretty face.

— Neil, Raleigh

College Campus Coozie

Like usual, I'm late again for my Economics 201 lecture in Grant Hall. I push the door open and a loud squeal permeates the large auditorium. I enter the room and half the class turns in my direction to look at the latecomer. I don't see an empty seat near the front so I had to work my way past everyone to the back of the lecture hall. Sitting through class I could not stop thinking about what had just happened. The sex was just amazing.

All I could do in class was to think about it. The dismissal bell rang and it's shrill tone snapped me back to reality. As I was getting up to leave, I grab my books from the empty seat next to me and when I brought them up to my chest, I notice my nipples were hard and clearly visible pushing against my tank top. The wetness of my pussy gave my shorts a damp spot between my legs. I waited for the hall to empty and headed to my next class where I went and sat down quietly in the back of the room.

As a cute guy walked over to sit next to me, I saw him staring at my obviously erect nipples, then he tried to look down my top as well. Once the rest of the students settled down, I unbuttoned my shorts and pushed them down enough so that the top of my nicely trimmed pussy hair was visible. I didn't want to get in trouble or else they would've been pushed all the way down to

my ankles. I caught the guy's attention and watched as his eyes nearly exploded when he saw what I was showing. I peeked over at him and saw him rubbing his cock over his pants. When he saw I was looking, he took his hand away and I noticed he had left quite a large lump down there. I wrote and passed him a note to text me around four today so we could hook up. He looked at me and with a meek smile, he nodded.

My third class was Biology 203 and as soon as I went in, the prof asked me and Danny to take a bunch of empty trays to the shed behind the class building. On the way I told him I had given a guy a bj in his car before classes started in the morning, and licked my lips. Danny just laughed but when we got to the shed and went inside, I dropped my shorts and panties down past my knees and curled my finger for him to come over. He took three steps to me and I grabbed his cock through his pants and made him hard. It took a minute but then he was hard enough to penetrate my pussy.

Since we had very little time, I just lifted one of my legs for him to grab and I guided his cock into me. His cock was slightly longer and thicker than the cock I sucked in the morning. He was pretty well built, but kinda awkward as he fumbled trying to rub my clit. It made me wonder if this was or wasn't his first time fucking a pussy. He pumped me slow at first but since I was pretty wet, he went faster within a few pumps only. It was a good thing because we needed to cum quickly. Although the pleasure was there, and because we were also in a rush, he started going really fast and I

finally started panting and moaning from the wonderful sensations.

He came quickly, shooting several huge loads in my pussy before I pulled him out and stuck his cock in my mouth. Turns out he had a couple more spurts in him so I swallowed it as best I could. I wiped up what I could that dropped out of my pussy with one of towels laying around the shed. Danny and I walked back to the biology classroom not saying a word to each other. Later in the day between classes, I also gave another guy a hand job behind a tree during our one mile jog around the campus.

A handful of students saw us as well as a groundsman, but I kept on until he came. Then we finished our run and headed back to the locker room. When I came out, there were a couple guys waiting near a bench and came over to me. They said they heard I was going around campus doing all sorts of wild sexual things and they wanted in on it. I told them that I wanted to be kept a secret. I wanted my identity to stay mysterious so they could have the unexpected feeling of a surprised fantasy come true. They silently agreed to stay quiet and would look out for me.

It was getting near four pm and I texted Mitch from my Economics class as I told him I would. He told me his classes ended at two and he was hanging with his best bud, Dennis. We agreed that I'd go over to their flat and hang with them until I had to leave to go do my homework. I got over there after a short walk off campus and Dennis opened the door. He looked like he was in his mid twenties. I went in and put my backpack down by the sofa where Mitch was sitting. I wanted to be sure what

Mitch wanted but it didn't take long for him to tell me to take off my clothes right there in the living room as Dennis was staring right at me. Mitch was several inches taller than my five-foot-five frame while his friend was about same height with a lot more muscle on him.

Mitch had a camcorder sitting on the coffee table and reached for it. I stopped him and said that if he wanted to take pictures, it had to be on a cell phone. He said okay and put it over on a shelf. I finished taking off my clothes and got on my knees and they both came over in front of me. I began massaging their cocks through their pants. Slowly I undid both of their belts and unzipped their pants. Dennis was already rock hard with a nice fat cock with a small mushroom head. It was so thick I could barely get my hand around it, but it wasn't all that long, maybe six inches and a little disappointing.

Mitch's hadn't quite hardened yet. I don't know why but I worked my hands on it while my mouth sucked on Dennis' cock. Because it was so thick, I couldn't get my mouth halfway down his cock. Seeing me blow his friend and slobbering all over his cock, Mitch grew hard quickly. He was quite longer than his bud, about eight inches, but also much thinner. I now took and stuck his in my mouth. I was blowing them both for about ten minutes when Mitch got behind me, put me on all fours and started fucking me from behind. I groaned loudly

Crazy Girl

After a crazy night of partying had died down, I pulled out my camera to take a few shots of my gorgeous blonde girlfriend Josie, who was still hanging out. I knew what that meant and wasted no time I began rubbing her boobies and pulling her panties to the side to play with her pussy. That got her horny as hell, so she didn't even hesitate to drop to her knees and give me a BJ right there in the back yard with twenty others passed out around us. This girl was truly a crazy GF that loved sucking cock. Then we fucked like two wild animals, as I pounded that hot pussy deep and hard.

— Hugo B., Ohio

on his first pump as I continued to suck on his friend's cock in my mouth.

I stayed for about an hour more and we all came a couple times each. But then it was time for me to get back to my place. I told Mitch I would look for him on campus, and as for Dennis, he was just lying back with a huge grin on his face. I left and walked to my apartment still tasting the two guys all the way home.

Nature Girl

Nicole was my girlfriend throughout my junior year in college. We were schooling in Colorado so the great outdoors were a vital part of our curriculum. She was good at school, good at camping and climbing and an awfully good fuck. I guess you could say she was a super sexy, all-natural girl that loved to be good. So when I took her up to the mountains to a secret spot I knew with an incredible view of the Rockies, she just melted. We drove to a large overlook, parked under some big trees and started our hike about ten in the morning.

Nicole was obviously feeling quite frisky as I walked on the path behind her. She would point all over the place at trees, rocks, clouds; man she loved it out there. As we kept walking, she pointed out how desolate it was. She wondered if anyone else was out there, or if anyone could see us. When we got to a small grassy area just off the path, she said she wanted to take a break and set down a large towel and grabbed our bottles of water.

She put them down, got on her knees and

then unbuttoned her shirt and pulled out her big perfect tits. She put her back to the mountains and took out her cell phone and took a selfie of herself flashing Mother Nature. I egged her on, and pretty soon her beautiful firm, round booty was out in full view of the eagles and rabbits.

A moment later, Nicole dropped her cotton panties too, and exposed her smooth college pussy. I was so fired up at that point, I didn't even care if anyone was around that I just whipped out my cock and immediately sweet Nicole started sucking away on it. This dreamy girl was giving me a full nature hummer right there at 8,000 feet up. She put those cock-sucking lips to work all up and down my man meat making sure that I was going to be satisfied with her good work. And I was. After a few minutes she laid down on the towel and spread her legs, telling me to get to licking her. Of course I obliged and dove into that natural wonder between her legs.

She came with a couple soft moans but I could tell she wanted more. So I bent her over doggy-style and pounded that insane pussy from the back. It was a thing of beauty watching that tight ass rebound from each hard stroke I gave it. Then Nicole made me get on my back and rode my cock like a champ, as her bountiful boobs bounced all over the mountainside. I held out as long as I could before I pulled out and blasted my load all over her gorgeous boobs. It was a wild romp and a nature fuck everyone should do at least once.

Randy B., sky-high in the Rockies

PLAY FOR PAY

There's this co-ed at college, Diana, that likes to give blow jobs in exchange for homework. She came to my dorm looking for someone to do her World History and I volunteered, but I made sure to get my hummer first because I've been told she'll promise, take the work, and then leave without doing her part. She gave me an insane hummer before I pounded her young pussy all over the couch.

— Andy, In-Diana

LENSAY
UNFORTUNATE
STUDENT BODY

MS. CAMPBELL
THE NASTY MATH
PROFESSOR

MR. LANG
THE RUTHLESS
COLLEGE DEAN

I went to this college because I heard it had one of the best math programs in the country. I graduated at the top of my class in high school, so I was excited to get the next step in my education going. The first couple months went okay, but then I started getting an attitude from my math professor, the infamous Ms. Campbell.

LENDSEY'S BEEN
BAD BEFORE, BUT THIS
TIME SHE'S GOT TO
LEARN HER LESSON -
THE HARD WAY.

I think she had it out for me, and I don't know why. I did good on my tests, I raised my hand and participated in class. I never chewed gum in class. Oh, but there was this one time when she caught me giving Barry a hand job after our quarterly tests in the back of the room. 'But he didn't cum!' I told her. She took me into her office for a lecture.

SHE KNOWS I'VE BEEN WATCHING HER IN CLASS. NOW SHE'LL GIVE ME THE TONGUE LASHING I WANT.

A couple days later, Ms. Campbell called in the Dean of Students, Mr. Lang, to talk to me. He has a reputation as being hard, but fair to us students. Even so, I was nervous and a little afraid that he might expel me from school, or tell me parents. When he came into the classroom after the class was dismissed, he seemed pretty nice.

I LOVE THIS
TEACHER'S LIPS AROUND
ME. I CAN'T WAIT UNTIL
SHE TAKES ME ALL THE
WAY DOWN HER
THROAT.

Then, to my total surprise, Ms. Campbell started telling him that I was loud and flirty, and I was hitting on all the boys. I told him that was not true, I only did something one time, 'and the guy didn't even cum!' Oops, I probably shouldn't have said that to the Dean. He made Ms. Campbell pull my white cotton panties down and then he made me pull hers down. I was stunned.

I WONDER
IF SHE'S GOING TO
GIVE ME AN A FOR EFFORT.
I'M TRYING MY BEST BUT
THIS PUSSY LICKING IS
NEW TO ME.

Then things got weird. Ms. Campbell took out Mr. Lang's cock and made me suck it. When she thought I wasn't doing a good enough job, she took over to show me. Then she made me put his cock in her pussy and lick it, too. That actually was kinda fun. And then she told me to sit on Mr. Lang's cock, which, of course, I had to do. Finally, she exposed my young, firm breasts, kissed them, and licked my pussy as Mr. Lang's cock filled my ass. I passed math with an A. Yay!

SHE YELLS
AT ME FOR TALKING
LOUD IN CLASS WHEN
NOW I HEAR SHE'S A
BIG SCREAMER,
HERSELF.

IF THIS IS
HER PUNISHMENT FOR
A BAD GRADE IN MATH, I'M
GOING TO FLUNK HER IN
EVERY CLASS THIS
SEMESTER!

I have been pursuing Karinne for almost three months now. Ever since I first saw her in the lunch line at the cafeteria, I knew I wanted her, but she didn't know that until a month ago. I decided to get up enough nerve to approach her in the one class we had together, sophomore Marketing. I lived on campus and she was a townie, still living at home with her folks I came to find out. She drove into college every day and was usually gone before my last classes ended. So I see her sitting with a couple girlfriends in the quad and go over to them. I say "Hello ladies... Hi Karinne."

They all look up at me and I hear little whispers and giggles. Then she says, "Hi Karl." She knew my name! She fucking knew my name! How did she know my name? Did she wonder how I knew her name? She momentarily turned to her friends and somehow dismissed them as they got up and left leaving me and her alone. I asked if I could sit and she nodded, so I plopped my backpack on the bench and sat down next to her. She could tell I was nervous, but made me feel at ease almost immediately.

"Is there something you want to tell me, because my next class is..." she looks at her smartphone "... in six minutes."

"There is, but how do you know my name?" I asked

her, looking directly into her blue eyes.

"I noticed you a while ago and asked a guy I knew in our class who you were. And how did you know mine?" she asked without skipping a beat.

"I first saw you about three months ago and noticed your name on your notebooks." I said and she giggled. "Listen, I won't keep you, but I would like to ask if you would like to see a movie with me, or maybe dinner one night?"

She asked if she could think about it for a couple days and I said sure. As I got up to leave, she handed me her phone number, so I hope I know what that meant.

I waited a couple days to call, even if I saw her on campus (from a distance). When I called her, it was between classes and she said it would be best if we met for coffee first and see how that goes. I agreed and we set up a rendezvous for Saturday at 11 am at the Coffee Nook just off campus.

She was right on time and ordered up a cafe latte. I wasn't much of a coffee drinker so mine was a mocha. We sat at a small table and really hit it off. We had a lot in common, and laughed a lot. As three o'clock rolled around, she said she had to go but she'd go to the movies with me on Monday afternoon. I didn't tell her I had a class, but I would skip it for this opportunity to spend some time, and time, with her.

We met at the theater and went in. I bought some popcorn and drinks and we sat through it, occasionally sharing quiet comments about the plot or actors. There was no romantic touching or talking, but I think we both knew there was some sexual tension between us. After the film ended I we went to her car and she dropped me off at the college entrance so I could get to my late class. On the way, I told her that I thought the latest of the Hunger Games series was starting on Wednesday and before I could finish, she said she'd love to see it.

Come Wednesday. So I am so excited. I think I'm going to be a little more aggressive today and see what will happen. I am already at the CinePlex 14 waiting when she rolls up. I go to her car door to meet her before she gets out. The sight of her has me almost light headed. As she sees me approach, I hope she can see the fire in my eyes and my lust for you.

Karinne anticipated my coming to her door and squirmed in the driver's seat. I pulled the door open and extended my hand to gentlemanly help her out. As she put her left leg on the ground, her legs opened and I caught a glimpse of her lacy panty under her short skirt. She made no effort to cover up. I try to maintain a straight face. She gets all the way out and plants a big kiss on my lips. I'm a little shocked, but not surprised. She had hinted at romance, but I did not push, letting her chase me a little more. She saw my eyes light up and sensed my naughty thoughts, I think.

I closed the door and put my arms around her waist and gently pushed her back against the door. I looked at her, eyes inches apart, and felt her chest rise and fall. I quickly caress your shoulders and kissed her

with a little more passion, our tongues finally meeting. Remembering that we are in public, she scans the area making sure that nobody sees us. Feeling the heat emanating from between her legs, I push the limits and firmly press my hand against her lady mound. She swooned and may have nearly cum in my hand, but she stayed collected enough to grab my hand and push it firmly into her crotch.

Suddenly she pulls up her skirt high enough to clear

the top of her panty. I slide my hand in and slip a finger past them and into her sopping wet and fire hot pussy. A deep but soft moan escapes her mouth and she temporarily closes her eyes to savor the feeling. Seconds feel like minutes as my long thick finger probe her juicy pussy causing her hips to thrust into my hand, rubbing her clit against my thumb. Without warning, she experiences her first climax of the evening.

"I hope you liked that," Karinne says with a devilish grin and I give her an open mouthed kiss and a warm smile. We straighten up and finally head for the theater. Once we get inside, we make our way through the lobby, concession stand and into the theater in no time. She says she likes it in the back, and we both laughed as we go up the steps and find seats in the middle way up in the top section. Before we sit, I pull her to me kissing her neck and subtly squeezing her soft ample breasts through her shirt. She pulls away not wanting to draw attention to us or get us kicked out of the theater.

On weekdays, most theaters are pretty empty, especially here in a college town. Today, only one other couple was in the place and they were sitting some

twenty rows in front of us. We wait patiently for the lights to dim. After some boring previews, the lights fade out and the feature begins. Fire on the screen, and soon in the seats. During the opening credits I kiss her neck and rub her panties again. Still wet, I kiss her lips and her ass moves up to the edge of the seat. I tell Karinne to take her panties off. She starts reluctantly, but stops. After a few moments, she finally lets me finish pulling them off.

The best thing about this place is that the armrests go up and down giving us plenty of room to play between the seats. Suddenly it's dark on the screen and I drop on my knees to the sticky floor as Karinne leans back into her seat. I dive right in ravishing her pussy and attacking her clit, tonguing her wet hole as deep as I can. I hear her moan lightly and exhale heavily as she cums in my mouth. As she starts to come down from that powerful orgasm, I continue to work her clit over with my finger while sticking my tongue as deep as possible. This starts an even bigger and wetter climax that Karinne actually pulls a clump of my hair out as she was holding my head into her.

The screen gets substantially brighter with explosions and loud noises that make us remember we're in a public place and we quickly shuffle to make sure nobody heard us. Calmly, I get back up into my seat and adjust myself as she does to herself. To make things easier, I unzip myself and undo the top button of my jeans. I pull my super hard cock out, ready for her initial assault. But before she does, we have to wait out the usher checking up on the theater-goers to be sure no hanky-panky is going on. We laugh and say he has to take his job more seriously. Anyway, he

goes away and leaves us to new adventures. Again the screen darkens.

Karinne takes my hard, precum-dripping cock in her hand. It is hot to the touch. She swirls the gooey liquid around my mushroom head and the sensations are sublime. She sits back in her chair using a backhand

stroke to pleasure me. I feel her fingers slip down and grab my balls and fondles them lovingly. Her hand tightens on my shaft with deliberate strokes that are pushing me to the edge. Fortunately for me, I have the strength to loosen her grip and save my climax for a few minutes later.

She gets the hint and with one last surveillance of the theater to be sure the coast is clear, she lowers her head and kisses the tip of my cock, tasting the sticky and slightly

salty flavor. She flicks her tongue across the tip and then takes it in her mouth. After a few moments, I hear a noise and hold her head still as a signal to stop. It's that pesky usher again waving his flashlight around. He sees a couple several rows away from us that we hadn't noticed, but he did and caught them making out. He reprimands them and goes back to his spot. Karinne gets back to it grabs my cock again and shoves it in her mouth.

Now my climax is imminent and her mouth holds my cock as her hands work the shaft. She cups my balls with her other hand and I let go. Trying to sit still, I spurt load after load into her accommodating mouth. Like a trooper, she swallows all of it and sips down a large gulp of her soda to wash it down. We decide to sit through the end, but when the film ends, we rush to her car and then to my place to do the things there that we couldn't do in the theater. Yay!

I had my first real boyfriend in college who I kept for my freshman year. After that I didn't choose to have any when I could have many. I really started to get into sex and would often skip classes and have sex three times a day because my roommates were in class.
